

True Temper Announces New Performance Fitting Center in Manchester, New Hampshire

MEMPHIS, Tenn. — True Temper Sports, the Number One shaft manufacturer in golf, is pleased to announce the addition of Kustom Clubs Fitting Center as its newest Performance Fitting Center to offer the most popular shafts in golf. True Temper has gained worldwide acclaim for its innovative shaft designs that dominate the world's professional tours week after week.

Kustom Clubs Fitting Center, 726 E. Industrial Pk. Dr. #6, Manchester, NH, has served the golf community of Manchester for more than 30 years. Kustom Clubs Fitting Center has been successfully recognized as a True Temper Performance Fitting Center, a unique professional network of distributors, custom clubfitters and pro shops designed to provide golfers with the finest high performance golf equipment and custom fitting. As a Performance Fitting Center, Kustom Clubs Fitting Center has exclusive access to True Temper's Tour Only products and club fitting resources such as True Temper's online fitting system ShaftFit Pro which helps select the best shaft for each golfer's game.

"True Temper continues to be the world leader in innovative, high-performance golf shafts, and we are proud to help ensure golfers in all parts of the world are playing with the shafts that win on the pro tours week after week," says Bill Lange, global distribution sales manager. "We are very pleased to welcome Kustom Clubs Fitting Center as our newest Performance Fitting Center, and we look forward to delivering True Temper shafts to their customers."

With manufacturing facilities located throughout the country and offices around the world, True Temper retains the largest market share globally in golf shafts. True Temper's Dynamic Gold and Project X brands are played by the best players in the world and dominate the headlines from the world tours each week.
